

COMMUNITY ENGAGEMENT POLICY

Powell River Community Forest (PRCF) is committed to having a community that is informed about our policies, our activities and our undertakings and that has an avenue to inform us of their opinions, values, issues and expectations.

PRCF is committed to:

- Having an open-door policy where members of the public can contact the forest manager directly with questions or concerns
- Maintaining a website that documents an extensive range of information including:
 - important documents and policies,
 - maps showing current and future cutblocks,
 - email notification system (for PRCF activities and trail/road closures)
 - information on Community Forest Grants,
 - information on Student Scholarships,
 - minutes from board meetings,
- Publish an Annual Report to the Public
- Make presentations to community groups as requested
- Liaise with community and industry groups
- Ensure our Shareholder is regularly informed of PRCF activities
